Description

This is a framed 18th-century colored map titled "A Map Of North America With The European Settlements and Whatever Else Is Remarkable In Ye West Indies From The Latest And Best Observations." California is shown as an island. The map was taken from "The History Of England" Vol. 3, by Paul R. Thoyras, London 1744; the map cartographer was Richard William. A small metal presentation plaque on the back of the frame states, "Presented to the President Of The United States Of America, The Honorable Ronald Reagan, By The Right Honourable Margaret Thatcher, M.P. February 1981."
