

# Basic Detail Report

---

**1988.00986.01a-b**

**Title**

Silver Menorah

**Date**

20th Century

**Medium**

Metal (silver)

**Description**

A silver Hanukkah menorah, hanukiah, (a) with angled branches and candle cups. The base is square with four feet. The shamash holder (b) is detachable and is held in the center slightly behind the others. This candle holder would use candles, rather than oil and each candle holder is shaped like a hexagonal pyramid. In the center there is a small round finial.

**Dimensions**

19 in. (48.3 cm)

**Historical Note**

Gift of Rabbi Abraham Shemtov, National Director, American Friends of Lubavitch7
